

REMARKS

Claims 1- 24, 27, 29-31, 34-37 and 39-52 are pending. Claims 9-10 are amended to remove the phrase "any one of". Claims 77-89 are newly added. Support for the new claims can be found, for example, in Examples 2-38, Tables 1-5 and on pages 7 and 65 of the specification as originally filed. No new matter is introduced by way of this amendment.

In addition, Applicants have amended the specification to correct an obvious typographical error in the definition of "heterocyclyl". In particular, Applicants have deleted the word "not", which was inadvertently included in the sentence "the heterocyclyl radical may **not** be attached to the rest of the molecule at any heteroatom atom". Applicants submit that the error was purely of typographical nature because Applicants have disclosed numerous compounds in which a heterocyclyl radical can be attached to the rest of the molecule at a heteroatom. For example, Example 9 describes the following compounds: 4-(5-Fluoro-6-methoxy-benzothiazol-2-yl)-5-piperazin-1-yl-2*H*-pyrazol-3-ylamine; 4-(6-Methoxy-benzothiazol-2-yl)-5-piperazin-1-yl-2*H*-pyrazol-3-ylamine; 4-Benzothiazol-2-yl-5-piperazin-1-yl-2*H*-pyrazol-3-ylamine; 4-Benzothiazol-2-yl-5-pyrrolidin-1-yl-1*H*-pyrazol-3-ylamine; 4-Benzothiazol-2-yl-*N*³-(2-pyrrolidin-1-yl-ethyl)-1*H*-pyrazole-3,5-diamine. All of the above exemplary compounds contain heterocycles attached to the rest of the molecule by a heteroatom (*e.g.*, a nitrogen in the heterocycle). Accordingly, Applicants submit that the above amendment does not introduce any new matter.

Entry of the above amendments to the specification and to the claims is respectfully requested.

Applicants respectfully submit that all pending claims in the application are allowable. Favorable consideration and a Notice of Allowance are earnestly solicited.

International Application No.: PCT/CA2003/001078
International Filing Date: July 23, 2003
Application No. 10/521,948
Supplemental Preliminary Amendment

The Director is authorized to charge any additional fees due by way of this Amendment, or credit any overpayment, to our Deposit Account No. 19-1090.

Respectfully submitted,

SEED Intellectual Property Law Group PLLC
